

Below are the directions to the cricket field where the event is being held on Saturday 24th Sept.

When arriving at Kirk Langley and on the A52, you will see the only cross roads. If approaching from the Derby direction, turn left into Moore Lane (right if coming from the Ashbourne direction) and after a few metres only turn right into The Cunnery. Drive straight along this road and you will enter the field gates.

If you had failed to turn right into the Cunnery you will see the village school on the left soon beyond it.

Had you chosen a back lane route, via Long Lane and down Church Lane (past my house), then turn right at the A52, next right and then immediately right again into The Cunnery.

It is 5.00pm when we are scheduled to start playing, but you are all welcomed to join in the fun of the day which has no entrance fee.

This includes the activities (which includes a tug of war) etc etc. Reasonably priced food and drinks will also be available together with barrelled beer. Hoping you will all have a good time,
