Tutbury Band has been privileged to receive 3 pairs of Premier ticket vouchers from Northern Racing, to any Uttoxeter Race Course Meeting for the 2012 season. A Premier ticket allows access to all public areas of the racecourse, plus the Premier Bar, Silks Restaurant and Premier Viewing Grandstand which has the best views of the finishing line.

Northern Racing is one of the largest racecourse groups in the UK, owning and operating ten racecourses across England and Wales. In 2011 they welcomed almost one million people through their gates and staged 16 per cent of all the UK's horseracing fixtures.

The Committee has decided to invite all band members, and their families, to send in bids for a pair of tickets. These will then go to the highest bidders. Each pair requires a separate bid.

All proceeds raised will go towards band funds.

The Committee works very hard to get as much funding as possible, in order to keep the band subscriptions affordable to all members. Funding also gives an important contribution towards the cost of new music, social activities and other band essentials.

I wish to place a bid for \_\_\_\_\_ pair(s) of tickets. I wish to bid £\_\_\_\_\_ per pair.
